Bio

Mike is an award winning **Director of Photography** with an excellent working knowledge of all Film, Video and Digital imaging formats.

With extensive experience shooting : **Feature Films, Documentaries, Dramas, TV Commercials, Branded Content** and **Corporates**. He is fortunate to have had the opportunity to hone his artistic and technical skills over a broad variety of subject matter enabling him to work with speed, calmness and confidence whatever the creative brief. He is completely comfortable working in what might be considered more 'extreme' and challenging situations. Having filmed in over eighty countries worldwide, covering the full range of conditions and environments - Deserts, Jungles, Mountains, Oceans, the Arctic and Antarctica.

Mike is a member of the prestigious Guild of British Camera Technicians. [GBCT] and also an associate member of the Association of Camera Operators [ACO].
